

# PINWHEELS FOR PREVENTION

*The pinwheel serves as a national symbol for child abuse prevention. It is a reflection of hope, health and safety.*

Every April – during **Child Abuse Prevention Month** – individuals and organizations in our area plant pinwheel gardens in honor of children in our community. The **Community Coalition for Craven County Children (C<sup>5</sup>)** invite you, your family, your faith-based group, civic organization or company to help raise awareness about prevention by planting a pinwheel garden.

The funds raised by the sale of pinwheels will go toward helping C<sup>5</sup> in our effort to raise awareness about child abuse through parenting cafes, family oriented events, and to assist with community education on this issue. We are a diverse group of individuals who meet on a monthly basis to work towards ensuring that every child in Craven County has a safe, healthy and caring environment where each one can reach his or her full potential through strong families and a supportive community.

For more information on ordering pinwheels, please contact Mrs. Essie at 252-636-6472. Contact Cheryl Reed at 252-288-6572 or visit [coalition4children.com](http://coalition4children.com) to learn more about C<sup>5</sup>.
